Signed Work Orders

Please continue to submit work orders promptly via email or phone.

- All work orders will be put in queue and accessed in 1-2 days depending on nature of the work.

Once the work order is complete, please return signed work order forms in a **timely manner**.

Work order forms can be returned to our Maintenance Tech, dropped off at the office, or in the drop slot.

It's important that work orders get closed out with a resident signature on file.

Parking

Due to the limited number of spaces, parking at the apartments are for tenants only. We encourage all tenants to inform your visitors to park on the street. All cars with no parking sticker run the risk of being towed at the owner's expense.

Please **DO NOT** contact SouthFair about any car being towed. Contact the towing company directly. Their contact info is located near the side of the apartment building.

Summer Reads

Summer provides ample time to invest into hobbies. For many, that may be picking up a good book, or a few good books. Here are two suggestions to add to your summer list!

The Other Black Girl by Zakiya Dalila Harris

Urgent, propulsive, and sharp as a knife, **The Other Black Girl** is an electric debut about the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing.

Caste: the Origins of Our Discontents by Isabel Wilkerson

The book describes racism in the United States as an aspect of a caste system – a society-wide system of social stratification characterized by notions such as hierarchy, inclusion and exclusion, and purity.

Wilkerson does so by comparing aspects of the experience of American people of color to the caste systems of India and Nazi Germany, and she explores the impact of caste on societies shaped by them, and their people.
